v. CIVIL ACTION NO. 4:19-cv-05041

LORIE DAVIS, et al.,
Defendants.

MOTION TO UNSEAL "SUPPLEMENT" AND ACCOMPANYING DOCUMENTS

1. Plaintiff, Lilly Anne Hopkins, asks the Court to unseal the documents accompanying her "Supplement", Dkt.# 26, Dkt.#27, and Dkt.#28. Some of the documents submitted were unable to be located by Plaintiff within the Martinez report submitted by the State, Dkt.#24. Plaintiff is requesting that these attachments be visible for future reference. Plaintiff is not requesting to unseal the Martinez report, only the "Supplement", Dkt#26, Dkt.#27, and Dkt.#28.
2. The Court should not seal the aforementioned records because the limited medical records will not be used for an improper purpose and Plaintiff has carefully selected the specific documents that she has accepted for disclosure.
3. The Court should not seal the aforementioned records because Plaintiff does not have access to a copier and the only way for her to easily have a copy of the aforementioned documents in their entirety will for them to be visible so she can purchase them through a third party.
4. The Court should not seal the aforementioned records because Plaintiff will be seeking the Defendant's Admission's and verification of the evidence submitted.
5. Lastly, through the Plaintiff's Complaint and other Documents the public already has access to the specific information contained

within the aforementioned Documents.

CONCLUSION

For these reasons the Plaintiff asks the Court to unseal Dkt.#26,
Dkt.#27, and Dkt.#28.

Respectfully submitted,
